Help LDNY's rich history come to life at this chance to view our chapter's 40th Anniversary Video, produced by **Dames Joan Coukos and Sharon Franke** in 2016, with an eye to transforming it into a timeless legacy piece with captions, interviews, and other memorabilia. We are counting on our long-time Dames to come and share their memories and stories – we have photos that go back as far as the 70's! Also planned are impromptu on-site interviews. This is a chance for our newer members to be part of an informative and inspirational event where we will learn about our proud history and meet more of our amazing Dames!
