

Dear Dames:

This year's SummerDine is bigger and better than ever, and the Committee—headed by Dame Lori Levy—has solicited tables at some of the city's most exciting restaurants, with fabulous wines paired with them all.

Tickets go on sale today—exclusive to our membership—before being offered to the general public on June 19th, and there are many wonderful options to choose from on July 29th, August 6th, or August 12th.

Among the choices are lunch at Cafe Boulud, an evening at Del Posto, a dinner in Litchfield County, and two tables at Barbetta. You can reserve a single seat at a communal table at La Palapa Cocina Mexicana, or enjoy oysters and lobster rolls on a schooner in Brooklyn. Many of our gracious sponsors from last year have signed on to support us again, with new and exciting offers to share.

Book one of these delectable dining experiences now, at a great value, knowing that 100% of the proceeds will go to our scholarship fund. You'll also be the first to know when more tables and culinary adventures are added.

Here's to longer summer days and beautiful sunsets!

Warmly,

Dame Sharon Franke
